## WELCOME

We are coming to the end of the session, and the weather has taken a turn for the worse. Let's hope we can get some tennis in over the winter and the weather is kind to us.

There has been some great tennis to watch on TV with the French Open, and now Wimbledon to look forward to, so even if it continues to rain, you can get your tennis fix in front of the TV.

It has been a busy time for the committee, and over the next few months you will all see some changes as the club welcomes the new head coach, completes maintenance of the courts, and paints and tidies up the club rooms.

Our AGM is also coming up, so start thinking now about what you can offer the club and consider standing on the committee.

## WEDNESDAY AND MONDAY NIGHT LEAGUE

Wednesday night league produced some good tennis with a tight completion for first place.

Congratulations to Jack, Kathy, Brett, and Colleen who secured the win!

The winter league is now underway, but with poor weather not many games have managed to be played. Fingers crossed that the weather improves enough to allow us all to get back on court.

If you are not playing but would be a reserve then let Linda know email: [linda.forsyth@paradise.net.nz](mailto:linda.forsyth@paradise.net.nz)

We are looking for a new coordinator for Monday night Senior League from July. The committee wishes to thank Adam for all the help and many hours he has put in to ensure Monday league has been run successfully.

## Club Champ results

Mens Singles – Daniel Baxter  
Men's Doubles – Daniel Baxter & Andrew Chuah  
Ladies Singles – Julie Scott  
Ladies Doubles – Hanna & Rachel Baxter  
Mixed Doubles – Daniel & Hanna Baxter

We had a fantastic day of tennis, and it was great to see so many participate. We want to encourage everyone to play so next year we will be offering an A grade and a B grade, but remember this is only possible if we get the number of registrations!

## COURTS

Some more fantastic news is we have also been back out for funding and have secured grants to tidy up and resurface courts 5-8. We will let you know when this is scheduled, and once complete the courts and lights together will look awesome. We are also doing work on courts one and two to fix up the base line so once all this work is done the courts along with the lights will be awesome.

Our grateful thanks to the following who have supported us with funding:

Pelorus Trust \$5,000  
Community Trust \$5,000  
Pub Charities \$10,000

## DID YOU KNOW

Each month we thought we would look at a tennis rule, or some other tennis tips and tricks. If you would like to contribute to this section please email [info@lowerhutttennisclub.com](mailto:info@lowerhutttennisclub.com)

### Replay Point rule

If the Server has faulted on their first serve and during the second serve the point is interrupted and it is agreed to replay the point then it is the whole point that is replayed and the Server gets two serves, not just a replay of the second serve.
