Beginners Group	Steph Fuller stephfuller@outlook.co.nz

Tennis is a very social and healthy sport to play, all for about \$5 per week.

As a member of our club you get access to the club through the combination lock. This allows you to play whenever you want, provided there is no organised play.

The Club has organised play available all year round so that you can make the most of your membership.

There are four leagues currently operating. These are on Monday, Tuesday and Wednesday nights, and Saturday afternoons. The format for these leagues is organised doubles matches except Tuesday pm which is singles only.

On Tuesday mornings there is a midweek club starting at 9.30 am. Organised games of doubles are made up during the morning.

If you are interested in joining our Club please contact one of the committee members listed for more information. They can tell you about the club and how to join up. Alternatively you could come along on a Saturday afternoon for a sausage sizzle and a drink on the deck at the end of the day's play.

Come on down and join our friendly group.

COACHING

Coaching is provided for juniors on Friday evenings 5.30 – 7.30 pm (competition players) and Sunday mornings 9-12 noon (beginners to advanced beginners), with a combination of fun technical coaching and match play exercises. This is run during Terms 1 & 4 as part of your junior subscription.

CLUB DETAILS

In 1927 the land currently used by the Club was set aside as a reserve in a new sub-division. The Club has operated from the site since then and has steadily built up resources for its members. It is proud to be the largest club in the Wellington/Hutt Valley Region.

The Club has 10 courts recently renewed in both synthetic grass and synpave surfaces. Eight of these are floodlit. The lights may be used Monday-Saturday up to 10 pm and Sunday up to 6.00 pm.

The Club has a large car park which makes parking easy.

There are over 260 members at the Club which means we can cater for both Junior and Senior members and for all abilities. Some of our members have even represented New Zealand.

Interclub is available for those looking for a little more competition and teams are entered in both Wellington Regional and Hutt Valley competitions for midweek and weekend play.

All our leagues operate all year except for over the Christmas holiday break.
